Launching of the new website for Social Audit Unit, Tripura

The website (<https://socialauditunit.tripura.gov.in/>) for Social Audit Unit, Tripura had been launched on 31st December, 2020 by Shri Jishnu Dev Varma, Hon'ble Deputy Chief Minister, Tripura. The website had been developed & hosted by Directorate of Information Technology, Govt. of Tripura.

Inauguration of Web Portal for Mata Tripura Sundari Temple

The website (<https://tripurasundari.tripura.gov.in/>) for Mata Tripura Sundari Temple trust, Tripura had been launched on 5th December, 2020 by Shri Biplab Kumar Deb, Hon'ble Chief Minister, Tripura. The website had been developed & hosted by Directorate of Information Technology, Govt. of Tripura.

Tripura State Data Center (TSDC)

Tripura State Data Center (TSDC) was operational 24x7 basis since 24th Dec 2010. TSDC is providing data centre services/cloud service to different Departments/Organizations/Offices for hosting, running and storing their applications for delivering services to citizens. Currently, around 66 applications and around 110 websites of different State Govt. Departments/Organizations are hosted and running from TSDC. Work is in progress to shift TSDC to new Data Center at IT Bhawan.

Four numbers of Web applications are hosted in TSDC during October to December, 2020. These are <https://dws.tripura.gov.in> of PWD (DWS), <https://emunicipality.tripura.gov.in/grievance> of Agartala Municipal Corporation, <https://socialauditunit.tripura.gov.in> of Social Audit Unit, <https://tripurasundari.tripura.gov.in> of Mata Tripura Sundari Temple Trust.

e-Office

e-Office is aimed to conduct the office procedures electronically for a simplified, responsive, effective and transparent working in government offices. It is a mission mode project under the flagship Digital India (DI) programme. 15 Departments/Organization/Offices have implemented eOffice in the State till 31st December, 2020.

State Wide Area Network (SWAN)

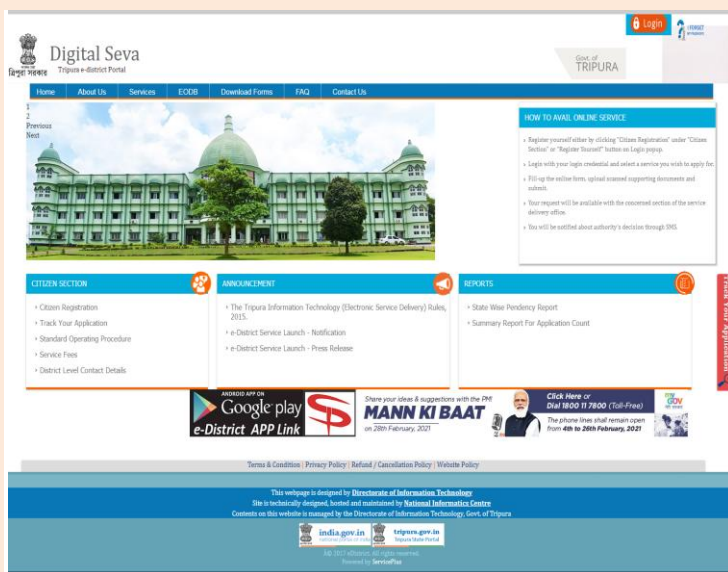

Under State Wide Area Network (SWAN) coverage, all DMs, SDMs and BDOs offices were initially connected through 2 Mbps leased lines. However, in view of increase in usage of the network, the bandwidth has been upgraded to 4/10 Mbps depending on the requirement. Till 31st January, 2021, total 84 SWAN Point of Presences (PoP) has been setup to connect 91 sites (SHQ, all DMs, all SDMs, and all BDOs) through SWAN. Using these SWAN PoPs, 422 numbers of various Departmental offices are also connected for Internet Services (NICNET). 100% SWAN coverage has been achieved in Tripura up to Block level.

Web Application Development

More than 80 websites and 17 applications of various Department/Organisation of the State have been developed by Directorate of Information Technology (DIT), Govt. of Tripura till 31st December, 2020 as a tool to reach out to the citizens. More numbers of development of websites and application are also in progress. Seventy-two (72) numbers of websites of various State Govt. Departments/Directorates/Organisations/Colleges of Tripura including the State Portal of Tripura are being maintained by DIT.

The official website for Directorate of Employment Services & Manpower Planning, Govt of Tripura (<https://employment.tripura.gov.in/>), Portal for Tripura IT/ITeS Startup (<https://startup.tripura.gov.in/>), Tripura Board of Secondary Education (TBSE) Online System (<https://tbseonline.tripura.gov.in/>) have been also developed by Directorate of Information Technology, Govt. of Tripura (DIT) during October to December, 2020.

Digital Seva(e-District)

Digital Seva (e-District) is an online service delivery platform. It has been implemented in the State to deliver citizen centric services online. 27 numbers of high volume services are being provided through Digital Seva (e-District) online platform (edistrict.tripura.gov.in) during October to December, 2020. These services are integrated with Digital Signature (DSC), SMS gateway, email gateway, payment gateway, CSC, CSC wallet, UMANG, DigiLocker etc. More services have been planned to onboard under this platform.

Common Service Center (CSC)

As on 31st December, 2020, total 1759 numbers of Common Service Centers (CSC's) have been registered in Tripura. Out of 1759 numbers of CSC's, 1070 CSC's are at Gram Panchayat (GP) level.

34,142 numbers of DigitalSeva transactions had been recorded with value of Rs. 2,73,92,513.42/- and 41,011 numbers of Digipay transactions had been recorded with value of Rs. 9,74,06,100/- in Tripura during October to December, 2020.

Tele-Law programme: The Government of India has launched 'Tele-Law' programme with an aim to provide legal aid services in rural areas through digital technology in 20th April, 2017. The project initiates to connect citizens with lawyers by the Para-Legal Volunteers stationed at identified panchayats through the CSCs.

2348 numbers of Tele Law Cases had been registered and legal advices had been provided through CSCs in Tripura during October to December, 2020. This e-interaction between lawyers and people was provided through the video-conferencing infrastructure available at the CSCs.

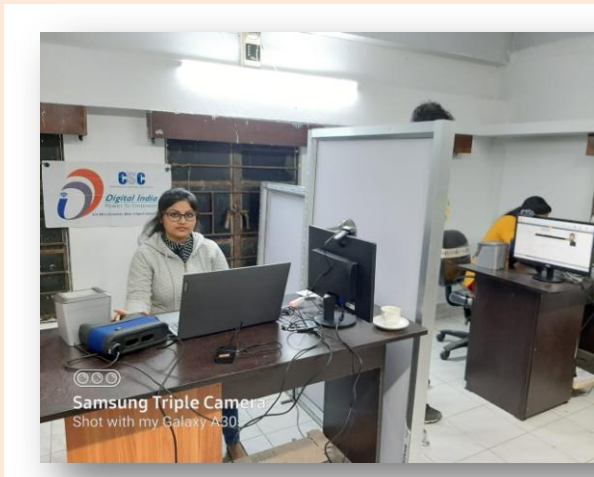

Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMGDISHA): Government of India has introduced its flagship Digital Literacy Programme, "Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMGDISHA)" in February, 2017. The Scheme envisages to make six crore persons in rural areas, across States/UTs, digitally literate, reaching to around 40% of rural households by covering one member from every household where there is no digitally literate person.

In Tripura, 8 training partners and 1101 training centers have been approved under the scheme Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMGDISHA). 1,30,305 numbers of students had been registered, 84,788 numbers of trainings had been completed and 63,042 numbers of students had been certified under this scheme till December, 2020.

CSC Wifi Choupal: An aspiring initiative of CSC e-Governance Services India Ltd. in form of CSC Wi-Fi Choupal is introduced for development of digital infrastructure in the villages as 'Digital Village'. The initiative focuses on enhancement of internet connectivity at Gram Panchayats (GPs) through utilization of Bharat Net Infrastructure. Under Bharat Net project, 500 GPs had already been covered in the Network Monitoring System (NMS). 1,037 (Govt. connections-741 and private connections-296) numbers of Fiber to the Home (FTTH) connections had been already deployed till 31st December, 2020.

Aadhaar Seva Kendra

State Level Aadhaar Seva Kendra has been setup in September, 2020 at CSC State office of Tripura and the enrolment process are going on smoothly by maintaining the social distance and other safety measures. Approx sixty to seventy numbers of Aadhaar updates along with new enrolment are being received each day. Till December, 2020, the Aadhaar update count along with new enrolments was 3,702.

Celebration of Kisan Diwas

CSC Tripura has celebrated Kisan Diwas on 25th December, 2020 along with the nation. Village Level Entrepreneurs (VLEs) throughout the State had gathered citizens and webcasted Hon'ble Prime Minister's speech on that occasion.

CSC Grameen e-Store

CSC Grameen e-store is a ground-breaking e-Commerce initiative by CSC SPV to promote digital ordering and delivering safely to the consumer doorstep. Till 31st December, 2020 CSC had nine hundred (approx) numbers of active VLEs across Tripura and more than 895 (eight hundred and ninety five) numbers of VLEs are registered with the CSC Grameen e-store and started delivering the products to the rural areas of the State. 2 Village Level Entrepreneurs from CSC Grameen e-store had won the cash prizes worth Rs 25,000/- & Rs 20,000/- respectively for setting the Grameen e-store in their villages and for registering more than 300 unique customers

Krishi Vigyan Kendra (KVK) Tele Consultation

CSC is providing KVK Tele Consultation Service to farmers through CSC Tele consultation Platform. Its purpose is to provide eDelivery of Krishi Vigyan Kendra (KVK) Services through its rural access points. Now, KVKs are providing following services through CSCs: a) Capacity development of farmers on modern agriculture technologies b) Providing farm advisories by using ICT on varied subjects of farmers interest c) Produce quality technology products like-seed, planting material, bio agents, livestock which is made available to the farmers at the nominal cost. It is very beneficial as farmers can avail the benefits within the village. Scientist Abhijit Debnath providing consultation to the farmers of North Tripura through CSC (Left).
