MEMORANDUM

Efforts are being taken to provide comprehensive, accurate and reliable information about the State Govt. and the respective Departments through State Portal (<http://tripura.gov.in>) and Departmental Websites. The contents in the State Portal and Dept. Websites are the result of collaborative effort of various Govt. Departments/ Organisations.

It has been noticed that many documents supplied by the concerned Dept. for uploading in the State Portal and Departmental Websites are not in Optical Character Recognition (OCR) format. Text and character of documents having OCR format are machine recognizable/searchable. OCR format helps visually disabled persons to access the documents using screen reader tools.

To make State Portal and Departmental Websites more digital friendly and further strengthening of websites, the respective Departments/ Organizations are requested to convert contents from existing format into OCR format and upload in the website. List of the contents that are needed to be converted to OCR format on priority basis is given in ANNEXURE-I. The concerned Departments/ Organizations given in the list are requested to convert the contents into OCR format and send us for uploading in the State Portal.
