'JAGRUT TRIPURA' Application & Mobile App

Hon'ble Chief Minister, Tripura, Shri Biplab Kumar Deb had launched 'JAGRUT TRIPURA' Application & Mobile App on 2nd March, 2021 at 05:30 pm at Conference hall No1, State Secretariat Agartala.

Despite the best of intentions, citizens are deprived of government schemes that can help them overcome poverty due to ignorance on how to access these benefits. At the same time, a significant part of budget allocations for various public welfare schemes remains under-utilised. To solve this by providing easy and quick access to welfare schemes and services offered by the government, the application called 'JAGRUT TRIPURA' has been developed in collaboration with a start-up called EasyGov. The Application & Mobile App will empower citizens to easily discover any scheme by checking their eligibility. The App will also provide them information about how to avail benefit for that scheme. More than 100 schemes of GoI and State Government have already been onboarded.

Digital Seva(e-District)

Digital Seva (e-District) is an online service delivery platform. It has been implemented in the State to deliver citizen centric services online. 46 Numbers of high volume services are being provided through Digital Seva (e-District) online platform (edistrict.tripura.gov.in) till 28th February, 2021. These services are integrated with Digital Signature (DSC), SMS gateway, email gateway, payment gateway, CSC, CSC wallet, UMANG, DigiLocker etc. More services have been planned to onboard under this platform.

e-Office

e-Office is aimed to conduct the office procedures electronically for a simplified, responsive, effective and transparent working in government offices. It is a mission mode project under the flagship Digital India (DI) programme. 15 Departments/Organization/Offices including Directorate of Information Technology (DIT), Planning (P&C) Department, DM Office, West Tripura, Finance Dept & PWD(R&B), Taxes & Excise organisation have implemented eOffice in the State till 28th February, 2021. Training and demonstration on eOffice were also conducted for about 100 Govt. officials. More training will be conducted under Capacity Building.

State Wide Area Network (SWAN)

Under State Wide Area Network (SWAN) coverage, all DMs, SDMs and BDOs offices were initially connected through 2 Mbps leased lines. However, in view of increase in usage of the network, the bandwidth has been upgraded to 4/10 Mbps depending on the requirement. Till 31st January, 2021, total 84 SWAN Point of Presences (PoP) has been setup to connect 91 sites (SHQ, all DMs, all SDMs, and all BDOs) through SWAN. Using these SWAN PoPs, 422 numbers of various Departmental offices are also connected for Internet Services (NICNET). 100% SWAN coverage has been achieved in Tripura up to Block level.

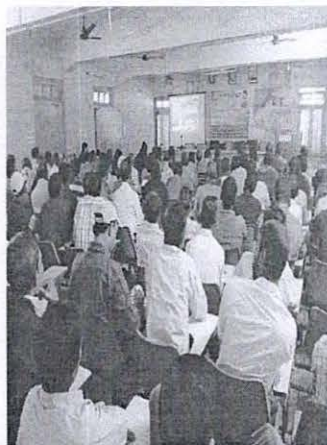

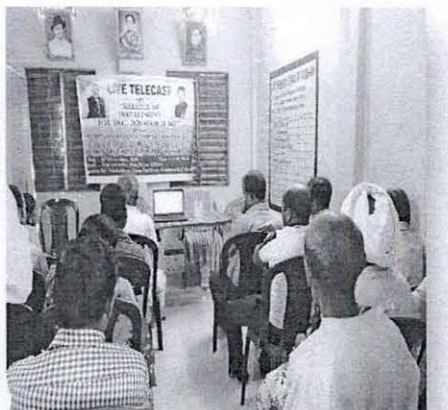

CSC Grameen e-Store

CSC Grameen e-store is a ground-breaking e-Commerce initiative by CSC SPV to promote digital ordering and delivering safely to the consumer doorstep. Till 31st December, 2020 CSC had nine hundred (approx) numbers of active VLEs across Tripura and more than 895 (eight hundred and ninety five) numbers of VLEs are registered with the CSC Grameen e-store and started delivering the products to the rural areas of the State. 2 Village Level Entrepreneurs from CSC Grameen e-store had won the cash prizes worth Rs 25,000/- & Rs 20,000/- respectively for setting the Grameen e-store in their villages and for registering more than 300 unique customers.

Celebration of Kisan Diwas by CSC

CSC Tripura has celebrated Kisan Diwas on 25th December, 2020 along with the nation. Village Level Entrepreneurs (VLEs) throughout the State had gathered citizens and webcasted Hon'ble Prime Minister's speech on that occasion.

Krishi Vigyan Kendra (KVK) Tele Consultation by CSC

CSC is providing KVK Tele Consultation Service to farmers through CSC Tele consultation Platform. Its purpose is to provide eDelivery of Krishi Vigyan Kendra (KVK) Services through its rural access points. Now, KVKs are providing following services through CSCs: a) Capacity development of farmers on modern agriculture technologies b) Providing farm advisories by using ICT on varied subjects of farmers interest c) Produce quality technology products like-seed, planting material, bio agents, livestock which is made available to the farmers at the nominal cost. It is very beneficial as farmers can avail the benefits within the village. Scientist Abhijit Debnath providing consultation to the farmers of North Tripura through CSC (below).

Tele-Law programme

The Government of India has launched 'Tele-Law' programme with an aim to provide legal aid services in rural areas through digital technology in 20th April, 2017. The project initiates to connect citizens with lawyers by the Para-Legal Volunteers stationed at identified panchayats through the CSCs.

2348 numbers of Tele Law Cases had been registered and legal advices had been provided through CSCs in Tripura during October to December, 2020. This e-interaction between lawyers and people was provided through the video-conferencing infrastructure available at the CSCs.
