DEPARTMENT OF INDUSTRIES & COMMERCE
(INFORMATION TECHNOLOGY)
Agartala, Tripura**

F22(1)/DIT/COMM/2015/3475-3530

08th Sep
Dated, August 2017

Order

In pursuance of the Indian Telegraph, Right of Way Rules, 2016, the State Government has decided that the Additional District Magistrate & Collectors of each district would be the "Appropriate Authority" for granting of permission to establish overhead/underground telegraph infrastructure to be installed at respective districts.

The Appropriate Authority shall charge one-time administrative expenses of Rs. 1,000/km for underground telegraph infrastructure and Rs. 10,000/- for overhead telegraph infrastructure. The appropriate authority shall also develop an electronic application process within a period of one year from the date of issue of this notification for the submission of applications.

In order to effectively address Public Grievances relating to installation of towers and issues related to telecom infrastructure, a State level Telecom Committee (STC) & District Level Telecom Committee (DTC) have been formed vide Memo No.F.22(1)/DIT/Comm/2015/6207-39 dated 17th March, 2015 by IT Directorate.
