e-Governance Executive Programme

Digital India initiative has accentuated the need for adequate and relevant capacities at all levels. The objective is to sensitize the political and policy level decision makers at Central and States/UTs levels and to build the in-house capacity for implementation of various e-Governance initiatives.

Background

The core objective of the Capacity Building Scheme Phase II is to build capacities in Central Line Ministries and State/UT Line Departments for implementation of various e-Governance initiatives and to enhance the abilities of the project teams in developing a holistic understanding on visualizing, conceiving and delivering projects.

Chief Information Officers’ (CIO) Training Programmes

The CIO programmes aim to create e-Governance Champions within Line Ministries/Departments (both at the centre and states), who will lead or implement the MMPs under NeGP or other e-Governance projects.

Programme Objectives

- Present an holistic and in-depth understanding and hands-on knowledge about planning, implementing and sustaining e-Governance initiatives
- Encourage participants to apply their knowledge and skills to real-life scenarios, adopt out-of-the-box thinking, wherever required and thus, assimilate their learning
- Present frameworks and methodologies related to various aspects of e-Governance project design and management
- Stimulate government officers to experience and learn from the successes, failures, best practices of e-Governance projects in India and abroad

### Duration
